Dear Ken:

With reference to your letter of [REDACTED] 25X1X7
we have not to date undertaken the collation of intelligence
on foreign overt, covert, and illicit trade in arms. Aspects
of this problem are undoubtedly followed in various Govern-
ment offices here and it may be that I can send you something
after having looked into the matter further.

Sincerely,

ONE:G/SI [REDACTED] 25X1A9a
